Pastor Ron Halvorsen was miraculously saved from New York teen age gangs of the 50's. He has held 159 major campaigns on the book of Revelation around the world. His clear and simple, yet thorough, explanation of the book has captured the minds of Bible seekers everywhere. He has helped hundreds of thousands to understand the mysteries of Revelation.

Come share with us a nightly verse by verse study of the 1st three chapters of Revelation from the Bible for the first part of the meetings.
